The Commodore's Message

No one who is not educated and properly qualified to practice medicine should attempt to act as a doctor. However, many instances where availability of a first aid kit and some knowledge on the part of the boatman and a reference book have eased the pain or saved a life of a sick or injured person on a boat. All skippers should prepare themselves and their boats to render emergency first aid, doing no more than is absolutely necessary while getting the victim to a doctor or a hospital as rapidly as possible, if required.

IS YOUR FIRST AID KIT UP TO DATE? This comes to my mind, as last week I did a pretty good job on my finger and found out MY first aid kit needed a little more attention.

ENJOY SAFE BOATING!!

Our Special Events Calendar

From all accounts, the Ladies Luncheon on the 9th of April was a great success with some 14 attending, that's it until Tuesday September 10th. 12:30 pm at the Bee Hive?

Cruising

By our next meeting, our first Cruise / Race of the year will be over, any discussion about our trip planning to The Gorge, should be attended to at April 18th meeting, {see you all there}... Just as a reminder for those with a little time, the Ripple Rock Squadron intends to proceed to Wyatt Bay after Gorge Harbour to do a little trail maintenance.

Don't forget, our following Cruise is to join the Major Mystery racers at Lund 15th & 16th June.

Racing

After the Gorge Harbour Race, 18th May, Wednesday night racing starts May 1st. 7:00 PM. At Saratoga Beach.

Nautical Trivia

Joe mentions the First Aid Kit in his monthly letter, how many of you have checked your safety equipment this year? Is it all in good order? Are you flares out of date?

Don't forget if you have a dinghy you need a safety kit for that also.
