### The **Commodore's** Message

I hope everyone is getting ready for a new season of boating. Races have already started, a prawn-a-thon weekend is scheduled for April 28-29, the sail past is arranged for May 6th and before you know it, the Gorge Harbor weekend-May 19-21- will be upon us. I must admit that that said, I sit here writing this and looking out my window at the rain going sideways, wind blowing at 25-30 knots and lots of white water in Discovery Passage. But, summer IS coming.

Our recently renovated clubhouse was put to the test at our March meeting. Your executive was very pleased with the turnout but in future we will ask that those wishing to bring guests or introduce prospective members to the club, please consider bringing them to a regular business meeting rather than one of our sit-down social affairs.

We try to accommodate all our members, but don't have an excess of room for non-members. Your cooperation will be appreciated.

Plans are underway to celebrate the 25th Anniversary of our club at our June General Meeting. Arrangements are being made to have a "party tent" available in case of inclement weather as we know there will be a large crowd gathering for that evening. We will be asking for some volunteers from the club to work on a committee to assist in making this a memorable occasion.

Finally, our April meeting will feature a presentation by Glen Rumley of the family's trip around Vancouver Island. I hope to see you all there.

Dave D

**“Racing”**

**Looking forward to a good year for racing... Looking for input to improve the racing fleet....see you out there. Hue.**

The first race of the season was a Two Boat Drifter, No Lion, not even a Lamb we will leave it at that for now.

Our next race is Sunday 15<sup>th</sup> April, the annual around Mitlenatch, at the time of printing the weather is supposed to be *NICE* which is not necessarily what the racing crews wish.

A report on the day will be in the next newsletter.

Look to the schedule for the next action between the sheets...

**Cruising**

The first should be the annual “PRAWN-A-THON” which should be around April 27<sup>th</sup> 28<sup>th</sup>, will keep you informed.

The next should be the annual GORG weekend May 19<sup>th</sup> to 21<sup>st</sup>.

A trip to Tenedos Bay on JUNE 16th is planned for “a day to remember Hubert Breukers”

**Last Sheet for the Cruising survey please forward to Al.**

**Thanks**
