The Commodore's Message

We have to think positive, as we know it will be gone soon - Winter that is. My prediction is we are going to have a beautiful summer, so we may enjoy many days on the water. Buy your sun block now.

Thanks to the directors of the various committees, the calendars are published for the year, social events so far are very well attended, let's keep on the roll.

Any suggestions, ideas, amendments to our programs are invited, bring them to our next meeting and share them, remember, it's your club - and any help in benefiting our club is appreciated.
