The Commodore's Message

Hugh SILVER: Welcome back to the first bulletin of the fall. Another summer is in the log, we're all a little older and hopefully a little wiser. Wisdom comes from experiences properly analysed, if you are lucky the major cost of the experience is embarrassment. Ask me about it sometime.

Elsewhere in this bulletin you'd learn that the sole business of the coming meeting is to recognise the contribution the Kyles, primarily, but not solely, Brian have made to our club. His abilities and contributions will be applauded, his funny mishaps recalled and there are plenty of both to fill the evening.

Do come and help make it memorable!!

Our Special Events Calendar

We were all royally entertained at the September meeting by Pat James and Lionel Booting as they shared with us tales from their six year circumnavigation of the world. It's plain to see that their sense of humour was a great asset in the completion of such an accomplishment. The written account of their travels and adventures in the form of the newsletters sent by Pat, can be found in a binder at the clubhouse for those of you who missed the Sept. meeting and would like to review the newsletters.

OCTOBER: PLEASE NOTE THE MEETING NIGHT HAS BEEN MOVED TO OCTOBER 25TH. The long service recognition dinner will be held at the clubhouse to honor Brian Kyle. The phoning committee will be calling to confirm numbers, so please

mark your calendars and lets have a great turn out. The evenings program promises to be quite entertaining!!!!!!!

NOVEMBER: ANNUAL GENERAL MEETING, will be the order of business. Mike Harris heads the nominating committee, so don't be surprised if you hear from him. The flip side of that is, if you have some time and an interest in taking a more active part in the clubs activities, I'm sure Mike would appreciate hearing from you!!!

LADIES LUNCH: The ladies of the club meet the first Monday of each month, except for July and August. Where a statutory holiday falls on a Monday, they meet the following MONDAY. After a year of trying various restaurants around town, the consensus was to return to the Willows Pub on Rockland Rd. at 1230. We look forward to seeing you there!

MEN'S LUNCH: Next lunch Oct 18th. High noon at the Willows.

➡ ***Between the Sheets with Wessel Oct. 2001***

Hello everyone. We have now passed another successful boating season. Nine races were completed and fairly good conditions were enjoyed for each event. Each year seems to bring another kind of weather pattern and I personally noted that a number of our race dates were forecast to be windier than they ultimately turned out to be. It is always best to err on the side of caution and to consider ones own sailing abilities before venturing out to sail the day away.

Although I will not be directing the racing events next year, I am already looking forward to a coming season of moderate forecasts, pleasant winds and "Major" spinnaker runs. Thanks to all that participated and I look forward to seeing you on the starting line next year. **Gary Wessel**
