Dear Commodore & Members

The Squamish Yacht Club is pleased to extend reciprocal moorage privileges to those members cruising in Howe Sound in the upcoming 2003 season. These privileges will remain in effect *until revoked*.

Dock facilities are available mostly in the absence of member's vessels, therefore, a call in advance to our Port Captain Les Smith at (604) 898-4101 would ensure that space is available. All visitors are required to register at the clubhouse (any member will assist with this). Please fly your burgees and have your membership card with you.

Guest washrooms and shower facilities are located at the clubhouse. Other facilities and amenities are within a short walk of no more than 5 blocks.

The Club looks forward to seeing you and your members, and we wish you a safe and fun filled cruising year.

Sincerely,

A handwritten signature in cursive script that reads 'Silke Stock'.

Silke Stock
