Dear Commodore and Club Members

We are a small yacht club based at Heather Marina in False Creek, Vancouver, and are interested in establishing and maintaining a reciprocal agreement with your club for the 2007-2008 season.

We offer moorage on a limited basis, when one of our members is absent from their own slip. The club can take requests for boats up to 35'. Please call John Timmerman at (cell) 604-230-1438, and he will advise you of availability.

Best wishes for a great cruising season,

for 

George Paget
