Campbell River Yacht Club  
Box 604  
Campbell River, BC V9W 6K4

February 1, 2004

Dear Commodore and Members,

Tsawwassen Yacht Club in cooperation with the Point Roberts Marina Club are pleased to offer Reciprocal Privileges to you for the 2004 year. We offer 48 hours of complimentary moorage, after which moorage will be charged at \$ .50 per foot per day. Electricity (30 amp) is \$3.00 per day. Max. electricity available is 200 amp, 3 phase 208 volt (metered). Due to limited space, we must limit the reciprocal privileges to two vessels per yacht club at one time, and visits shall not exceed 1 stay in any 30-day period, twice a year.

Upon arrival please tie up to the Guest Moorage Dock located at the entrance into the Marina basin on the East side of the inner Channel. Please register at the Marina Office located at the top of the ramp in the Upper Level of the Marina Building. As always, you are required to present your current membership card and fly your club burgee while at our dock. If the guest dock is full, the marina staff will make an effort to locate additional reciprocal moorage inside the marina.

We invite you to enjoy the lounge, restaurant, games room and café located in the Marina Club building during your stay. Fuel is always priced within 25 cents of cost with additional discounts of up to 12 cents, and all showers are now free. Land based whale watching is west of the marina at Lighthouse Park via the nature trail. We also offer free shuttle to the Point Roberts Golf Course and the Point Roberts Airpark. Local, on-line weather and weather cams are available at: [www.pointrobertsmarina.com](http://www.pointrobertsmarina.com). Check the website message board for current activities.

Reservations are encouraged at : 360-945-2255.

Please feel free to call if there are any questions on these arrangements with TYC at 604 574 2540 (Home) or send an email to [echatham@telus.net](mailto:echatham@telus.net). Have a great season on the water and we look forward to seeing you!

Sincerely,

Ernie Chatham  
Tsawwassen Yacht Club
